Arts District BID

Expands Service Area in 2024

The Arts District Los Angeles (ADLA) BID has expanded its service boundary to include the area between Violet and 7th Street. Residents, businesses and property owners in this new area can now expect to see our safety and maintenance teams working on and patrolling their streets. As always, for any service requests, please call our hotline at (213) 327-0979.

Link US Phase "A"

Advance Utility Adjustment Project

Summary: The Link Union Station (Link US) Project will start advance utility adjustment on Vignes St, Commercial St, and Center St. This work will allow for the future construction of the viaduct over the U.S. 101 freeway. The Project will provide new run-through tracks to improve and expand regional rail capacity at Los Angeles Union Station.

Date and Work Hours: Advance utility relocation by LADWP-Power is anticipated to start Monday, January 29, 2024, and will take approximately 8 months to complete. Work hours will be Monday to Saturday, 9 pm to 6 am. Additional utility relocation activities will be scheduled later and are anticipated to continue through 2025.

Locations:

- Vignes St at Commercial St
- Commercial St between Vignes St and Center St
- Center St at Commercial St

What to Expect:

- Directional lane closures will be in place at each intersection.
- Motorists will be detoured to Garey St and Ducommun St.
- Driveway access will be always maintained
- Pedestrian access will be maintained outside the work area.

Metro Access: LADOT Dash D bus stops may be relocated, or lines could be impacted. Visit www.ladottransit.com/whatsnew to learn more.

Noteworthy

- Construction is dynamic and schedules are subject to change.

Boomtown Brewery

9th Anniversary

You are invited to celebrate 9 years of beer at [Boomtown](#). Mark your calendars for Saturday, February 17, 2024.

It will be a quite a day with their best beer, favorite food vendors, DJs, Live Music and a few extra special surprises. There is so much in store that this party will go from 12pm until 1am. The complete details will be released soon. For more information check out Boomtown's [Instagram Account](#).

I-110 Closures

January 26th - 28th

The California Department of Transportation (Caltrans) is planning multiple overnight closures on Interstate 110 (I-110) between I-10 and Exposition Boulevard beginning Friday, Jan. 26, and ending Sunday, Jan. 28. The schedule includes a complete closure of the freeway in both directions of travel from late Saturday night through early Sunday morning. From Friday night to Saturday morning, the interstate will be reduced to one lane only in the southbound direction.

These closures will allow crews to safely demolish the defunct pedestrian bridge over I-110 at 21st Street. The closure schedule is as follows:

Friday, Jan. 26th

- Southbound I-110 reduced to one lane between I-10 and Exposition Boulevard
 - 11 p.m. – 7 a.m. Saturday

- Crews to begin closing all on-ramps to southbound I-110 as well as the eastbound and westbound connectors from I-10 as early as 9 p.m.
- Southbound off-ramp to Adams Boulevard closed
 - 7 p.m. – 10 a.m. Saturday, Jan. 27
- Southbound I-110 between I-10 and Exposition Boulevard and northbound I-110 between Adams Boulevard and Washington Boulevard:
FULL CLOSURE
 - 11 p.m. – 8 a.m. Sunday
 - Crews to begin closing on-ramps and connectors as early as 9 p.m.
- Southbound off-ramp to Adams Boulevard closed
 - 7 p.m. – 10 a.m. Sunday

Motorists are advised to avoid the area by taking an alternate route or by using public transit. Southbound traffic on I-110 will be detoured to exit the interstate at the I-10 interchange and re-enter the freeway at either Exposition Boulevard or Martin Luther King Jr. Boulevard. Northbound traffic will exit at Adams Boulevard and either re-enter the freeway at Washington Boulevard or access I-10 via Hoover Street. Detour maps are attached.

Construction schedules are subject to change due to weather or other unforeseen circumstances. Residents and businesses located near construction may experience noise, vibrations and dust associated with construction activities. Please visit the Caltrans Quickmap

(<https://quickmap.dot.ca.gov/>) for the latest road conditions and closures.

Caltrans reminds motorists to be “Work Zone Alert” and “Slow for the Cone Zone.”

Arts District Park

New Rules and Regulations

At the request of many residents, the City's Recreation and Parks Department (RAP) has rolled out new usage guidelines for the Arts District park located at 5th and Hewitt. The Arts District park will now have two sections; one exclusively for people and the other exclusively for dogs and their owners. These changes come after tensions between dog owners and non-dog owners reached an all time high earlier this month. Many thanks to Councilmember De León and his staff for helping to facilitate this solution.

Dogs and their owners must now enter through the 2nd gate, on the right-hand side, labeled "Dog Area Entrance." The entrance on the left-hand side is reserved for people and children only. To report any illegal activity at the park, disturbances or unleashed dogs in the human section, please call the City of LA's Park Ranger Headquarters. The Park Ranger Communications Center is staffed from 6:45 am until 11:00 pm, 7 days a week. Any problem or concern may be reported anonymously. Park Rangers can be contacted at 323-644-6661.

Arts District Farmers Market

Continuing in 2024

The Arts District Farmers Market continues in 2024. Located at 950 E. 3rd Street at the [Aliso](#), the market continues to offer produce, food and crafts. Arts District Parking Pilot Program

Has been Paused

The LADOT parking pilot program was scheduled to begin in the Arts District on **December 15, 2023**. However, due to community push back and vandalism of the parking kiosks, LADOT has decided to pause the roll out of this program.

The program was intended to increase the availability of parking spaces in the Arts District in light of the community becoming such a popular destination over the last few years.

Payment for parking will be available via App or pay station.
